THE SEMEST WAT AS COACHES LEAVE RAILS

Whitineville, Mass., Mar. 14. -Phree persons were injured seriously and more than 30 others were cut and bruised when two conches of the south bound Worcester-Providence express left the rails at Dixon's' crossing, about a mile from Whitingville station, this afternoon The two rear cars of the train, a combination beginned car and smoker and a day coach, bumped along the rails for some yards and then turned on their sides. The locomutive and the remaining passonger coaches kept the raise.

Passengers expressed belief that the trouble was due to the rear car the baggage and amoker, coming some from its trucks. The car, they said, had been swaying threaten ingly for some miles. Many of those scated in the smoker moved up to the coach sheed for safety, but no body sotified the train crew, so far as could be ancertained. It was believed that the car finally toppled from the trucks and dragged the next coach with it. The two derailed cars were dragged 300 yards before the train stopped.

tet completely emisjoned the Mari-wick Seminary beam at the state armtwo field goals, one at the close of each half. Company & had denote of easy chances and would have made even a few of them been made good. Hartwick was also weak on shooting.

Company & showed pininip the effects of lock of practice. The Sect work inched the suscethment in evi-dence when the team was playing regularly and the players showed a disposition to familie the ball and pass and shoot wildly. Notwithstanding, however, the soldiers were far superior to the students in every department of the game arcept courage and delermination. Hartwick fought grimly to the last and deserves credit for a good showing in the face of overwhelming edds.

The game started off briskly and for a few minutes it looked as if Hartwick would make the going hard for Company G. With Brown's field goal, however, the soldiers got going and four successive field goals by Delaney, who had the best shooting eye on the floor, and one by Darling left the score 12 to 6 in favor of "G" at the end of the quarter.

In the second quarter Delaney regintered twice from the field and Paimer and Captain Pondolfino once each while Hartwick Seminary made its first point when Captain Carmick caked one from the floor with the hair nearly gone. Delaney made a foul basket in this quarter.

In the third quarter Hartwick braced and Company G was able to make but six points, on fields by Delaney. Darling and Fahner, Hartwick did not score.

The last quarter was decidedly rough with Company G making most of the fouls. Company G made eight whiles Defeat Freehmen. 18 to 11,

THE UNIVERSAL CAR

BUY NOW

EVERY SPRING THE DEMAND FOR FORD CARS IS SEVERAL HUNDRED THOUSAND GREATER THAN THE AVAILABLE SUPPLY. PLACE YOUR ORDER IMMEDIATELY TO AVOID DELAY IN DELIVERY.

IMPORTANT IMPROVEMENTS IN OUTWARD DESIGN AND INTERIOR APPOINTMENTS HAVE MADE THESE FORD MODELS NOT ALONE THE MOST POPULAR BUT THE LARGEST SELLER.

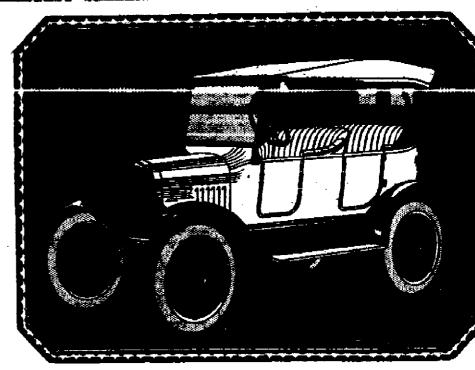

Buy Your Ford Now

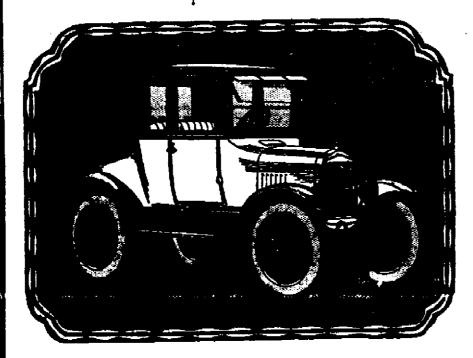

You cannot afford to buy any car until you have seen the New Ford Models.

The New Tudor
The New Coupe
The New Fordor

These new Ford types are of an exceptionally pleasing design. Wide doors opening forward, folding right front seat, and a roomy interior make them convenient to use; their high radiators, broad cowl, sun visor and large windows make them stylish in appearance. Yet they are sold at the lowest price ever asked for closed ears.

The rich permanent luster of their finish, the quiet good taste of their upholstery, and the ornamental treatment of their full-nickeled hardware, all help to make them cars you will be proud to drive.

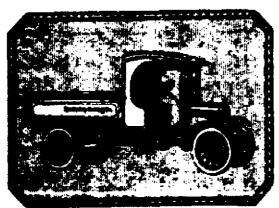

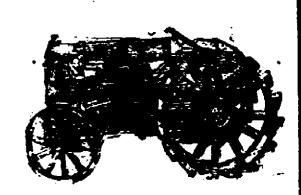

With spring almost here thousands of families, anticipating the demand that is certain to exist for Ford Cars and Trucks, are placing their orders for immediate delivery.

The prospect of securing prompt delivery is daily becoming more uncertain. We cannot urge too strongly, therefore, the necessity of placing your order immediately, if you are planning to drive a Ford Car this spring.

Is Your Wife Marooned During the Day?

Have you ever considered what is meant by the hundreds of cars parked in the business sections during business hours?

Most of them carried business men to work, leaving their wives and families at home, marooned because the family's one car is in daily use by the husband and father.

That is one reason why architects and builders find that all suburban and many city homes must be provided with twin garages.
